

Computers in Everyday Life

Computers are now part of our culture. Think of situations in everyday life where a computer has some function. How do computers help people in each situation below?

Travelling to work/school

Shopping:

Banking:

Mobile phone:

Credit Card/Laser card:

DVD, Video recorder:

Library/bookshop:

Music Store:

Parking your car:

Car insurance:

Booking accommodation:

Travel Agent:

Looking for a job:

Study/ Research:

School:

Discussion

Discuss how your life would be different if there were no computers. How would society be different. Would life be better or worse? In what ways?
