

Presentation – My country

Task

With another learner or learners from your country of birth, make a presentation to the class about your country.

The presentation should include **a map or poster** and information on the following:

- Geography (mountains, rivers, lakes, other natural features)
- Population
- Climate
- Religion
- Language
- Music, Dance
- Politics (democracy, republic, monarchy etc.)
- Cultural traditions (feasts, festivals)
- Food
- Famous person/people associated with the country

At the end of the presentation learners should answer questions from their classmates
