

Types of Questions at Interviews

Personal Questions

Used to find out a person's particular skills, personal and interpersonal, their aspirations and ambitions and their particular strengths and weaknesses. To assess personality and suitability to a particular work environment.

Examples:

'How do you see your career developing in the next five years?'

'Which particular personal skills do you feel you would bring to this position?'

'Do you like having a lot of responsibility?'

Education Questions

Used to find out details a person's level of education, qualifications and skills in relation to the candidate's CV.

Examples

'What level of mathematics did you study?'

'Do you speak fluent Spanish?'

Work Experience Questions

Used to find out details of previous work history and experience in relation to what is stated on the CV.

Examples

'What level of responsibility were you given in this position?'

'What type of work did you do?'

Leisure Questions

Used to find out more about a candidate's personality and interests. Very often questions about hobbies and interests etc. are not asked at interviews.

Examples

'You say on your CV that you like fishing, why do you like this particular pastime?'

Do the following worksheets carefully and practice with another student. It helps if you can record your responses on a voice recorder or video recorder.
