4. There are six mistakes. Correct them.

I'm going to a party on saturday for Sofianne's birthday. His birthday is on thursday, but he wanted to have the party on a Weekend. He's having a barbeque. I think may is a good month to have a birthday because of the weather. I love going to barbeques on the summer. My birthday is in Winter and it's too cold to eat outside!

5. How quickly can you and your partners answer these questions?
