

Rules and Regulations

Speaking and Writing

1. List ten places that have rules and regulations?

2. Write down three rules that a primary school has for the pupils in your country.

3. What are the rules about smoking in public places in Ireland?
Is this similar or different to your country?

4. What are the rules about using mobile phones in cinemas, theatres, hospitals etc in Ireland? Is this similar or different to your country?

Sample Rules and Regulations from IILT

- If you are sick, you should telephone the school and leave a message for your teacher.
- Always keep the classroom clean and tidy
- You should arrive on time for class.
- You must follow safety rules at all times.
- The consumption of food and drink is only allowed in the kitchen and not in the classrooms.
- You must not smoke inside the school building.

Should and Must

Which 2 rules use *should* and which 2 rules use *must*?

What is the difference between *should* and *must*?

Now it's your turn to write your own classroom rules for your class contract. You have to agree these classroom rules with everyone in the class. Think about what would make the classroom a good place to learn.
