

Hobbies and Interests: Writing Practice

A. Write about your hobbies and interests.

- You can decide what you want to write about.
- Use the vocabulary you learned in class to help you.
- Write 2 or 3 paragraphs and plan what you are going to write in each paragraph.
- It's important to plan what you are going to write about first. It's a good idea to write down single words and phrases first. After that, it will be easier to write full sentences.

Plan – single words and phrases
