My weekend

A. Read the text and answer the questions.

I had a good weekend. On Friday evening I met my friends in town and we went to the cinema. We saw 'Stranger than fiction' in the Savoy. It was funny and a bit sad. After that we went for a drink. We talked about the film and all the news from the week. I got the last bus home. On Saturday morning I went to the shopping centre and bought food for the week. It was very busy because all the children are back at school. I bought meat in the local butchers. For lunch I cooked stew and potatoes. On Saturday afternoon I did my laundry and cleaned the house. In the evening I called my friends, sent emails and watched TV. On Sunday morning I bought the paper and went for a walk in the park. I met my friend for a coffee. We looked around the bookshops and she bought a book in the sales.
